About Adventist Health

Adventist Health is a nationally recognized, not-for-profit health system that takes a localized approach to transforming the American healthcare experience through a whole-person focus on physical, mental, spiritual and social healing.

3,361 Employees in the district (Central Valley Region Total)

Improving Our Communities

We are proud to work with local leaders and nonprofits on programs to improve communities in AD 31, including:

\$6,115,251 Total Spent on Community Well-being in District

Diabetes Among Friends

A five-week diabetes self-management education curriculum in English and Spanish from Scripps University, debuted in our rural health clinics in July 2017.

Better Breather's Club

The first and only lung health support group in Kings County, is available for anyone with a chronic lung disease including COPD, asthma, pulmonary fibrosis, sleep apnea, and undiagnosed lung diseases.

Bringing Broken Neighborhoods Back to Life

An effort to connect Selma residents with education and resources to help the community thrive.
